

← Trim edge at each crop mark →

Aqua is the color of ocean waters, soothing, cooling, and refreshing us. Let these beads remind you of God's promise of rest in him. *"Come to me, all of you who are weary and carry heavy burdens, and I will give you rest."*—Matthew 11:28

Coral grows in the ocean and is often a vivid color. Let the bright shade of coral bring you joy as you remember God's promise for eternal life with him. *"If you confess with your mouth that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved."*—Romans 10:9

Shells are shaped by God's hand. Each one is unique, and each one is beautiful. When you see the tan shell-colored beads, remember God's promise of a unique plan for your life. *"For I know the plans I have for you," says the Lord. "They are plans for good and not for disaster, to give you a future and a hope."*—Jeremiah 29:11
